<p>Since CAARPR and AWC have each sought parade permits for the same day and the City is proposing all parades take the same route, my clients would agree to consolidate the two marches into one to avoid use of additional resources by the City to manage two parades under the following conditions. CAARPR and AWC seek the following timing:</p> <ul style="list-style-type: none"> • 3:00 pm: Parade organizers have access to Union Park and Park 578; • 4:00 pm: Union Park is available for people to gather; • 5:00 pm: Union Park is available to parade organizers for speeches; • 6:00 pm: March steps off from Union Park to begin the route (route disputed at this point); • 7:00 pm: March stops at Park #578 for chants, speeches; • 8:00 pm: March steps off from Park #578 and returns to Union Park; • 9:00 pm: March disbands at Union Park. 	<p>City's position?</p>	<p>CAARPR's second application sought a parade permit for 8/22/24 assembling at 12:00 pm, marching from 2:00 pm – 4:00 pm, disbanding at 4:30 pm.</p> <p>AWC's application sought a parade permit for 8/22/24 assembling at 5:00 pm, marching from 6:00-8:00 pm and disbanding at 9:00 pm.</p>

<i>Sound System during the March</i>		
<p>Plaintiffs intend to use a mobile sound system on pickup trucks at the head of the march;</p>	<p>City's position?</p>	<p>In settlement negotiations, there was no discussion of a sound system for use during the parade.</p>

Plaintiffs intend to use the mobile sound system at Park #578 so no sound system from the City is required.		
<i>Porta-Potties</i>
